## President's Message

Good day,

I'm writing this issue's President's Message in place of Brian as he is traveling.

First up, at our May meeting, our members approved a change to your Council's make up by adopting a proposal to make the Webmaster position a voting position. So, Sandy Dobbs will now have a vote along with her always thoughtful voice.

Also, please note that it is time to vote for your Officers for the next Club year. While we have nominees for the positions of President (Chris Bassett), Vice President (John Lenz), Treasurer (Pam Murray), and Secretary (Denise Bassett), we encourage any other members to nominate others, including themselves, for any of these positions. As we've done in the recent past, we'll conduct the vote online. Eligible Club members will receive voting instructions on or about June 1. Please see the "On-line Election" article in this issue. The results will be announced at our June meeting.

And on the topic of meetings, a big Thank You to Leah Brooks from Mt. Cuba Center for her presentation on native spring plants at our May meeting. Her enthusiasm was contagious. Thanks to Sandy Dobbs and Madeline Auman for bringing her to us.

Sign-ups for our European trip to St Anton am Arlberg and Madrid continue. And our North American trips to Copper Mountain CO, Schweitzer ID, and Banff/Lake Louise AB Canada open for sign-ups to our Continuous Members on June 1<sup>st</sup>; then to Current Members on June 15<sup>th</sup>. Looking through the history of our trips since 2002, it appears that we haven't been to Copper and Banff in several years and this will be the first visit to Schweitzer. Thank you to the Trips Committee and the Trip Leaders for putting together an exciting line up for skiing and riding in 2023.

On to summer activities. There's Pickleball on June 2<sup>nd</sup> at the Village of Hershey Run. Please be sure to check out the Home Happy Hours coming up on June 3<sup>rd</sup> at Sue and Jim Gargel's deck (with special thanks to Chewy!) and on July 8<sup>th</sup> at Sarah and Michael Berninger's. We also have Happy Hours at the Greek Festival on June 9<sup>th</sup> and the Delaware Art Museum on June 23<sup>rd</sup>. Those wrap around a Blue Rocks game on Friday, June 17<sup>th</sup>. Thanks to all those who host our activities and Sue Donaldson for coordinating them.

Happy June.

**Chris**  
Chris Bassett  
Vice President

What do you do in the off season, when there's no skiing? You play the fastest growing sport in the nation - pickleball! I have 2 private pickleball courts where I live and I'd love to share what I've learned so far. It's a super fun sport, easy to learn, (harder to master)! No experience necessary and we have enough equipment for 8 players. If we have more than 8, we'll rotate new players in. Both experienced and newbies players are welcome.

Rain/high winds/extreme temperatures will force a cancellation. Please email or text with your contact info if you'll be playing. I'll contact those who confirmed if a cancellation occurs. If you're interested in future pickup games email me with your info. See you on the courts!

# New Policy on Early Trip Sign-Up

## Announcing a new benefit for WSC members

At the January 2022 meeting of the Wilmington Ski Club Council, the members unanimously approved a modification of the Ski Trip sign-up procedure. This update was done to provide another benefit to being a Continuous Member of the Club.

Continuous members will have exclusive rights to sign-up for trips during the first two (2) weeks of the trip sign-up period. This is another benefit of remaining as an active, paid member of the club.

The new procedure provides new definitions of membership:

**Continuous Members** are those members who have held paid memberships for at least the two (2) most recent consecutive WSC membership years prior to the club year in which a trip is scheduled.

**Current Members** are members who do not qualify as continuous members, i.e. most likely by not having been a paid member for at least two years.

The revised procedures are available on our website at: [Guideline for Trip and Activity Sign-Ups 2022-01](#). The revised section of the policy is below.

### 1. Timeline/Qualifications for Wilmington Ski Club (“WSC”) Trip Sign-ups

#### **Definitions:**

- **“CONTINUOUS Members”**: Members who have held paid memberships for at least the two (2) most recent consecutive WSC membership years prior to the WSC year in which the trip is scheduled. By way of example, for a trip scheduled for January 2024, members must have been in good standing (i.e., dues paid) for the WSC membership years that commenced on July 1, 2021 and July 1, 2022, and must pay dues for the WSC membership year that commences on July 1, 2023 in order to sign up for the trip.
- **“CURRENT and NEW Members”**: Members who do not qualify as CONTINUOUS Members and members who join only for the WSC year during which the trip is scheduled. By way of example, for a trip scheduled for January 2024, members must pay dues for the WSC membership year that commences on July 1, 2023, in order to sign up for the trip.

#### **Trip Sign-up Period:**

The trip sign-up period will consist of early sign-up for 4 weeks and then regular sign-up continuing until the trip is filled or otherwise closed, as follows:

- **First 2 weeks**: All WSC CONTINUOUS members.
- **Second 2 weeks**: Open to above; and WSC CURRENT and NEW members. NOTE: This includes any Eastern Pennsylvania Ski Council affiliated club (“EPSC”) members who join the Wilmington Ski Club and pay the annual membership dues for the WSC year during which the trip is scheduled.
- **Weeks 5 and Forward** : Open to above; and any member in good standing with any EPSC ski club.

Trip sign-ups will continue at both the September and October general meetings.

Trip Leaders may adjust the period of sign-up, including initial sign-up deposit if the Trip Contract requires earlier and/or higher deposits by the tour operator, hotel and/or the airline. Council approval is required, and Trip Leaders are required to provide ample notice (via website, Blast, Scrapings and Trip Flyers) prior to the initial sign-up date.
