## President's Message

Good day,

Think snow!! Okay, maybe it's a bit early for that and certainly it's not easy when we're in the middle of summer and temperatures are in the 90s. However, we're only about 5 months away from our first ski trip of 2023!

Regarding our ski trips, there are still some spots available for our St. Anton am Arlberg/Zurich trip. But hurry, registration will soon close. Please contact Anne Ceres for information. Our other trips are currently all sold out with wait lists. And we'll soon start planning for our day trips to Elk Mountain.

The word "planning" brings to mind the trip survey we conducted in July. We're now in the process of analyzing the data to help guide us for trips in 2024 and beyond. As Kurt Tappe noted in his excellent, well-received July meeting presentation on the state of the ski/snowboard industry, one aspect of our planning is the need to identify and book trips much earlier. Some of you may know that the Big Sky trip was booked two years in advance. This will no longer be unusual. The survey is a key element in guiding our trip decisions. Thank you to all who answered the survey.

Should you think it's early for ski dreams, we have a lot of other activities coming up. There are a dozen events scheduled through August and September. And that doesn't include the two Club meetings. From Home Happy Hours to concerts and bike rides and boating and hiking, oh my! We're certainly an active group – or a social club with a skiing problem!! Please check the weekly activities email blast or Scrapings or the website for something to enjoy with your Club friends. THANK YOU to all who have opened their homes and imaginations to host us.

Finally, just a reminder about renewing your Club membership if you have not done so already. For you, remember that Continuous Members enjoy the benefit of exclusive sign up during the first two weeks of a trip's registration period. And for the Club, your membership enables us to continue to pay the business costs of running the Club. Maintaining your membership helps you and the Club. Thank you for being a member.

I look forward to seeing you at one of the many activities. Cheers.

*Chris*

# Remembering Joe Krantzler

Dear Fellow Members,

It is with sadness that I share the news of the sudden passing of Dr. Joseph Krantzler.

Joe was on our Kitzbuhel, Val d'Isere, Steamboat and recent Trois Vallees trips (when he broke his pelvis). Although sad, Joe had fully recovered from his ski injury. In the past 3 months, Joe walked his daughter down the aisle and danced the night away, saw his son receive his American Airlines new pilot pin, and he and Sandra celebrated their 26th wedding anniversary in Aruba.

If you are looking to make a donation to a worthy cause, please consider the American Heart Association. We will miss Joe on future Europe trips.

Regards,  
Anne Ceres

# It's time to renew your membership!

It's that time of year again when we ask you to renew your membership in the Wilmington Ski Club.

Your annual dues fund club activities like **meetings (room rental and/or food), barbeques and club dinners**. They allow us to procure outings **supplies** and support other club costs such as **website hosting, email services, surveys, printing, insurance, taxes and other fees**.

Your dues do not fund ski trips which are self-funded by those who go on them. Thus even if you do not ski or snowboard, but participate in club activities, we ask that you renew your membership. This will help the club continue to operate and provide fun social activities for all our members. Annual dues are only \$40 for an individual or \$56 for a family. Our membership year runs from July 1 through June 30. **Please renew now.**

Thank you and we look forward to another active year in the WSC.

What do you do in the off season, when there's no skiing? You play the fastest growing sport in the nation - pickleball! I have 2 private pickleball courts where I live and I'd love to share what I've learned so far. It's a super fun sport, easy to learn, (harder to master)! No experience necessary and we have enough equipment for 8 players. If we have more than 8, we'll rotate new players in. Both experienced and newbies players are welcome.

Rain/high winds/extreme temperatures will force a cancellation. Please email or text with your contact info if you'll be playing. I'll contact those who confirmed if a cancellation occurs. If you're interested in future pickup games email me with your info. See you on the courts!

## Summer Skiing at Mt. Hood, Oregon July 3 to 11, 2022

Steve Zilli and I spent Fourth of July skiing at Mt Hood. This is a week of instructional skiing in the morning and enjoying being in Oregon in the afternoon. Summer skiing is the best!

We have excellent coaches, and we ski with some very high-level skiers. Many of the people who attend this camp come nearly every year. We have made friends that we get to ski with during the winter. Since we have the same coaches every year, we get to build on what we were supposed to have learned last year.

The instructional camps on Mt Hood attract high level skier from all over the world. Many of the camps are for junior racers. So many of our afternoon activities, such as go-cart racing and white-water rafting are kids' activities. Most of us love the kids' activities, but we also have a wine tasting in the Timberline Lodge wine cellar and an afternoon in Hood River visiting tasting rooms. It is such a great week, many of the skiers bring their non-skiing SO's.

The camp usually coincides with a Masters race (The Summer Fun Nationals). Several of the people in our camp, including Steve Zilli, competed in those races this year. Despite being in a very tough division, Steve did very well.

Think Summer Snow!
