President's Message

G'day! I hope this finds you enjoying these last days of summer.

Activities With September upon us, our Club just keeps on going. We have several activities on this month's calendar starting with a Home Happy Hour hosted by Kim and Coleman Bye on the 1st. That's followed by Twilight on the Terrace at Mt. Cuba on the 2nd, Docklands on the Riverfront on the 7th, Bikes and Beverages on the 9th at Grain H2O, kayaking at Lum's Pond on the 17th and pickleball on the 22nd. Please check this issue, our website and the weekly email "Blast" for details.

Winter trips We're pleased to note that our winter 2023 trips are all a "go." Interested in our European trip to St Anton am Arlberg/Zurich? Please contact Anne Ceres immediately as there may still be some availability. There are wait lists for Copper, Schweitzer and Banff.

In order to offer more skiing/snowboarding to you, we are taking advantage of our affiliation with the Eastern Pennsylvania Ski Council to promote access to two trips offered by other clubs. The first is a 5-day trip, *Sunday, February 12 to Friday, February 17, to Jay Peak, VT* with the King of Prussia Ski Club. The second is a week-long trip,

March 18 through March 25, to Whitefish, MT with the Tiroler Ski Club. For complete information, use the links to the respective clubs' sites at the WSC website Trips page (<https://www.wilmski.org/2023-trips>) Please be aware that these trips follow the procedures of their sponsoring clubs.

Access to these and other trips is one of the benefits of your Club membership. I encourage you to access the EPSC site (<https://www.wilmski.org/epsc>) and check out the available trips.

Finally, about our winter trips: we have begun planning our Day Trips and will have more on that soon.

Thank you As we've just held our annual Appreciation Dinner, let me express our gratitude to the volunteers who make your Club all that it is. Whether hosting a happy hour or coordinating an event or leading a trip or serving on Council, there are several dozen members who each year give of their time and talent for all of us. THANK YOU. And I hope you'll consider joining that group of volunteers.

Think snow.

CASPER

It's time to renew your membership!

It's that time of year again when we ask you to renew your membership in the Wilmington Ski Club.

Your annual dues fund club activities like **meetings (room rental and/or food), barbeques and club dinners**. They allow us to procure outings **supplies** and support other club costs such as **website hosting, email services, surveys, printing, insurance, taxes and other fees**.

Your dues do not fund ski trips which are self-funded by those who go on them. Thus even if you do not ski or snowboard, but participate in club activities, we ask that you renew your membership. This will help the club continue to operate and provide fun social activities for all our members. Annual dues are only \$40 for an individual or \$56 for a family. Our membership year runs from July 1 through June 30. **Please renew now.**

Thank you and we look forward to another active year in the WSC.

Village of Hershey Run Pickleball Courts

What do you do in the off season, when there's no skiing? You play the fastest growing sport in the nation - pickleball! I have 2 private pickleball courts where I live and I'd love to share what I've learned so far. It's a super fun sport, easy to learn, (harder to master)! No experience necessary and we have enough equipment for 8 players. If we have more than 8, we'll rotate new players in. Both experienced and newbies players are welcome.

Rain/high winds/extreme temperatures will force a cancellation. Please email or text with your contact info if you'll be playing. I'll contact those who confirmed if a cancellation occurs. If you're interested in future pickup games email me with your info. See you on the courts!
