## President's Message

It's time! Our trips to Copper Mountain and St. Anton am Arlberg with a side of Zurich will be departing this month. Schweitzer and Banff are weeks away. And given the snows we've seen out West and, as I write this, in the Northeast, we're looking good for some terrific skiing and riding.

Day tripping! We're joining with the King of Prussia Ski Club for an Elk Mountain Day Trip on Friday, January 13th. There are only a few spots left, so check out our website for info. In February, we'll host two trips to Elk, on the 3rd and 24th. Your Club is subsidizing a portion of those two trips to help offset the increased costs of bus service this year. We do need a trip leader for one of the trips, so please contact Anne Ceres or Kurt Tappe if you can help.

Believe it or not, it's not too early to talk about our 2024 trips. You may remember from a presentation at one of our summer meetings, Kurt discussed the need to plan ever earlier so that we can lock in locations and pricing. Accordingly, we have already set our trips for winter of 2024. We're happy to advise we'll be going to Whistler (January 20-27), Vail (February 3-10), Trentino and Milan, Italy (March 1-12) and Heavenly (March 16-23.) We'll also look for a budget trip to the

Northeast that season. The North American resorts are all members of the Epic Pass. We wanted you to know so that you can think about the right version of an Epic Pass for you when they go on sale in the spring. There is a caveat to all this: we need trip leaders. Ours is a volunteer-driven Club. We need folks to lead our multi-day and day trips. Without trip leaders, we will not be able to run those events.

Speaking of volunteers, as mentioned last month, we need an Activities Coordinator. Remember this job doesn't mean you have to create the activities; you coordinate with members for timing and publicity. Please remember that all those Happy Hours and other events happen only because people volunteer their time. Please consider this role. If you'd like more information, please contact me.

As our Scottish friends would say, Happy Hogmanay to all, and Happy New Year when it comes!

*Chris*

## Independent Bike and Barge Tour Offered to Wilmington Ski Club September 6, 2023 to September 17, 2023

<https://www.wilmski.org/brusselsamsterdam>

**Post-trip extension \$445 per-person (double occupancy)  
Subject to availability – Return September 19**

Anita O'Donnell with Cruise Planners has offered to put together a bike and barge tour beginning in Belgium ending up in Amsterdam in Holland. Currently, there are 11 cabins for 22 people; however, availability may change. VBT Bicycling Vacations (Williston, VT) is the vendor.

We are advertising this trip to Wilmington Ski Club members and guests. This is not an officially sanctioned trip from the WSC, so you won't be signing waivers of liability with WSC, and your arrangements for this trip will be made with VBT through Cruise Planners. Your tour leader is VBT, and they will take care of airfare, the trip details, and transfers for transportation if you select airfare with them. You will have two tour guides with VBT during the barge portion of the trip.

You have three options:

1. **AIR PACKAGE:** VBT books your international air from PHL; roundtrip transfers are included, 2 nights in a Bruges 4-star hotel; 1 night in an Amsterdam hotel at the end of the trip; see LAND ONLY for the remainder of the package description. The air package is **\$5645** from Philadelphia per person double occupancy. Quotes from most major airports are available (price will change based on Gateway) and you may extend your trip.
2. **OWN AIR:** You book your own air, but participate in the full 11-day vacation; this option is **\$4876** per person, double occupancy. Refer to LAND ONLY for the remainder of the vacation.
3. **LAND ONLY PACKAGE:** 7 nights aboard a private canal barge, 15 meals (7 breakfasts, 3 lunches, 5 dinners); 2 bilingual tour guides, support vehicle, bike and helmet, facilitated cultural experiences. Price is **\$4295** per person, double occupancy, no extensions allowed.

**Deposit of \$500 per person is due before December 1; balance of trip (including air) is due May 5.**  
The air package is a good deal. When you purchase your own air, your purchase it immediately.

If you choose to purchase your own air, do not do so until you have been confirmed by VBT.

**September 6, 2023 to September 17, 2023**

<https://www.wilmski.org/brusselsamsterdam>

**The Ski Club's Group space will be released on December 2 so space is subject to availability after then!**

*Please confirm the details with Anita. All payments will be via credit card through Cruise Planners. No cash or checks for this trip.*

General Questions: Marie Maks (302) 545-2103

For questions on this Bike & Barge trip: Anita O'Donnell, Cruise Planners (302) 607-8216

PLEASE NOTE: When you visit the VBT website, you're going to ask "Why is the price less on the website?" It's the Gateway. They've priced it with the least expensive Gateway. Also, if you want to extend the trip and your roommate doesn't, you can pay the single supplement to extend your trip. Then, you'll have your own hotel room too. ALSO, we need your height and bike choice (step-over, step-through with slated top tube) at time of booking.
