**Member liability waiver, release and consent:** A skier/snowboarder assumes the risk of any injury to person or property resulting from any of the inherent dangers and risks of skiing/snowboarding and may not recover from the Wilmington Ski Club for any injuries resulting from the inherent dangers and risks of skiing/snowboarding. Wilmington Ski Club and its activity leaders act solely in the capacity of agents on behalf of Wilmington Ski club members in arranging for transportation, lodging and other services and as such are not responsible for any damage, loss (financial or otherwise), delay, injury, or accident due to any act or omission of any company or individual engaged in providing transportation, lodging or other services which are part of an activity. Participants are strongly encouraged to purchase trip insurance to protect themselves in the event of any damage, loss, delay, injury or accident which may occur.

I agree to assume the risk of any harm, damage, loss, delay, injury, or accident that may occur to me or any minor for whom I am responsible while participating in the Wilmington Ski Club activity. This release is without reservation and shall be binding on myself, my spouse, my heirs, and assigns.

I acknowledge that I am a member of the Wilmington Ski Club, I have read and accept the terms and conditions of this waiver, release and consent and understand the terms used in it and their significance. I have executed this waiver, release, and consent voluntarily and freely.

**Participation Policy:** Participation is governed by the WSC Policy. Trip participants are expected to be self-sufficient in all trip activities. Due to the complexities of international travel, participants *must be at least 21 years of age*. At registration, each person is required to notify trip leaders, in writing, of any conditions that may require special diet or other needs. The WSC, its trip leaders, and its tour operators are not required to provide any special services other than those listed on the trip description/flyer.

The WSC and its trip leaders reserve the right to remove any participant from a ski trip or other club activity who becomes a hazard to him/herself or other members of the trip/activity or for conduct endangering the good order, welfare, or character of the Club. A copy of this policy can be viewed at: [Trip Participation Policy](#).

\* I understand this trip does NOT include air transportation. I can select to add group air above, or I will book my own air to Salt Lake City and provide my flight numbers to the trip leader so that ground transportation to and from Cliff Lodge can be scheduled.
